This sixty-third year of Citrus Union High School will go down as one of the best in her history. This could only have been possible with the full co-operation of all the student body. Our athletic teams have brought home several championships; many individuals and groups have represented us well.

My Commissioners and I wish to express our appreciation to you and wish you all the best of luck.

# Welfare Council

Mr. Van Peursem  
Advisor

The Welfare Council is the student governing body of Citrus which assists the Executive Council in its work. It is an important part of the student government as it gives each student a chance to voice his opinions.

A representative chosen from each guidance section attends the meetings and reports to his second period class the matters discussed.

The student body officers, the president of the Girls' League, a representative from Lettermen and Big "C", the editor-in-chief of the annual, the head yell leader, and the head song leader are on the Welfare Council.

# Student Court

The Student Court is elected by the student body. It consists of the Commissioner of Justice who acts as judge, two jury members from each class, a clerk, a bailiff, and a citizenship committee which issues summons and sits in on all sessions. The court tries cases which have not come up before and have no fixed penalty. The defendant is sworn in and enters his plea. The judge reads the charges. The jury decides whether there will be a penalty and what it will be. The purpose of the court is to help the student, not to punish him.

Our ambitious Juniors followed in the footsteps of their serious predecessors this year in academic studies and athletics. With vim and vigor they baked cakes for the Junior-Senior Prom which was the highlight of their eventful year. After dissecting beetles in biology and upsetting a few bottles of acid in the chemistry lab, the Juniors completed the last lap. They are finally ready to enter that glorious group—the Seniors.

# Sophomores

Paul Dickerson .....	President
Mary Ann Seltzer .....	Vice-President
Ann Parker .....	Treasurer
Sandi Nelson .....	Secretary

There are no such beings as shy sophomores and this year's group certainly are no exception. With zest the underclassmen supported the school's extracurricular activities and helped to improve them through their outstanding contributions in studies and athletics. You can determine the sophs by their carefree gait and smart looking sweaters. The picnics, the exams, the fun, the work, all are a part of the sophies' life. Finally, the seasoned sophomore can look forward to that long desired title—upperclassman.

GLENN G. VANIMAN

This school year marks the end of a phase of growth for the Citrus Union High School District. The Freshman Class of this year will be the last class to graduate from Citrus representing students from the whole district. Next year the Freshman Class will be at Citrus and then divide to the new school when it is ready for occupancy.

This completes another successful year in the long history of Citrus. In many ways this has been one of the best years.

Our best wishes go to all graduating seniors. We sincerely trust that your future work, in or out of school, may be what you wish the most and that your memories of Citrus will be among those most treasured.

A handwritten signature in black ink that reads "Glenn G. Vaniman".

## Skugrud's Ban Annual to Rec

## *Girls' League*

First Row: Bergen, Murphy, Maloney, Menser, Snidow. Second Row: Sturtevant, Shorey, Mooney, Moller, Thompson, Huling.

The Citrus Girls' League enjoyed a highly successful year under the leadership of the board and Miss Priest. Any girl who is enrolled in the school automatically becomes a member of this service organization. New girls are welcomed and aided by their "big sisters." The league started the year with a Dad-Daughter Banquet, followed by their annual Christmas Drive, proceeds of which were used for children in Korea and Casa Colina. "Flirtation Frolic" was the theme of the traditional Valentine Dance sponsored by the league. Another successful event was their annual Spring Fashion show.

Assemblies! Yes, Citrus has had the best of them this year. The Seniors provided talent to set an example for Juniors, Sophomores and Freshmen. Speakers from many fields gave food for thought. School music, drama and dance groups gave performances on a professional level.

The Bee's this year did a fine job by tying for second place with Chino. The teams in the Bee league this year were so even that it was difficult to win, but thanks to the fine coaching by Coach Edwards and Coach Miller, our team won their share of games. The interest shown by the bigger turnout for the games indicated that the Bee's were playing better games and did their share to represent the school.

The Citrus Cee Gridders are the little guys who go out for sports in a big way. They build their experience and skill as they grow towards "Varsity" and the spotlight of the three-ring sports arena. Our Cee Cougars have scored their share of points, and in game after game have shown their interest and true desire to be worthy of their team and the sport. We have pride in this team for their drive and determination and can see a great future for them as Varsity Cougars.

The Citrus Varsity started their record-breaking season with a winning spirit that endured throughout their games. Each step the team took brought encouragement and praise from the many supporters. The tribute this team paid to their school and their coach can only be surpassed by the energy and sportsmanship shown by the loyal student body and the many Cougar fans. Cougar victories began in the Chino 20-30 Club Tournament. Their only loss in this competition was their final game to Riverside which took the championship. The practice games, before league play began were good examples of the merit and skill shown by the Citrus Cagers. Taking such teams as Colton, Chaffey, Pasadena H. S., Covina, and Baldwin Park in their stride, the team climbed higher on the ladder to championship, catching the eyes and raising the "voice and faith" of every cheering Citrus student. Game after game, led by Buzzy's Cinderellas, the spirited fans crowded gyms from here to San Diego. Citrus' only league loss was in the

first game with Puente with whom they eventually shared the league championship. These little guys with big hearts continually showed high spirit and desire to win.

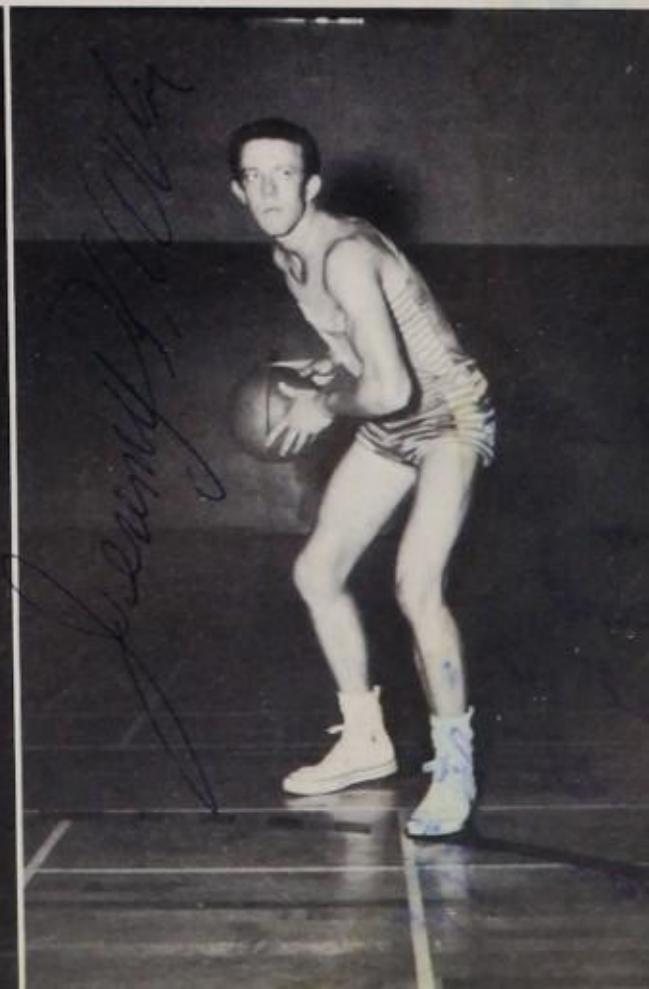

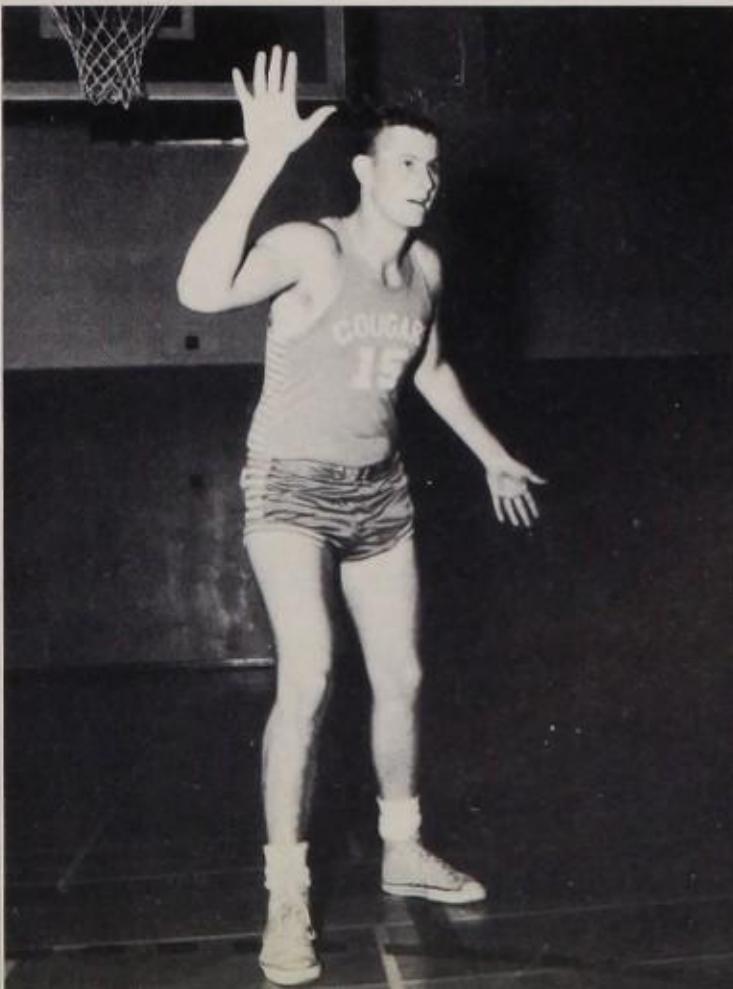

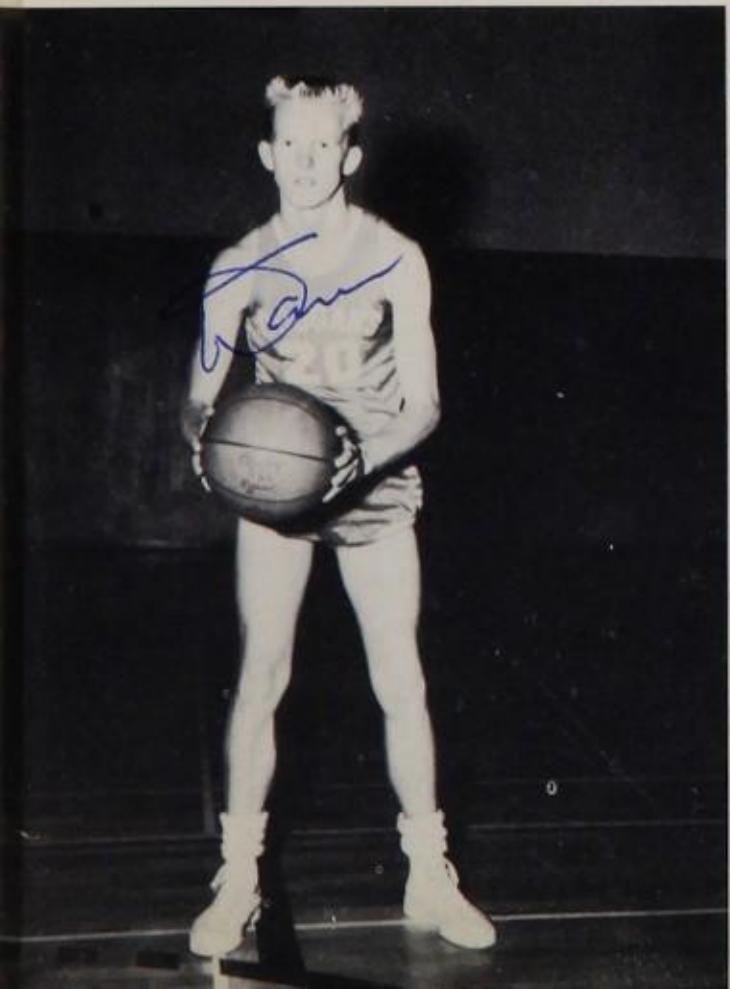

Heaping their scores to record breaking peaks, the boys with the help of prayer, determination, and the outstanding support of their multitude of fans went to the semi-finals with Mar Vista and then to the C.I.F. Championship game with Coronado.

On the Point Loma H.S. court tense watchers saw tie score after tie score broken on the Coronado-Citrus scoreboard. Silence at many times was broken by rousing cheers for our would-be champs. The last seconds of play ticked away. Victory was finally in sight. As the buzzer sounded, a deafening cheer rose from 700 Cougar rooters and Citrus was crowned C.I.F. Champions of 1955.

## BEE'S

The Citrus Bee "Hoopsters" played great basketball in 1955. The vitality and ability displayed by these little big men was something to watch. Our Cougar "Bees" have shown the skill and sportsmanship that we've seen in all of our athletes this year. Doing their best in all their games, they placed third in the Tri-County League standings. These future varsity players are dependable and on their toes.

## Cee's

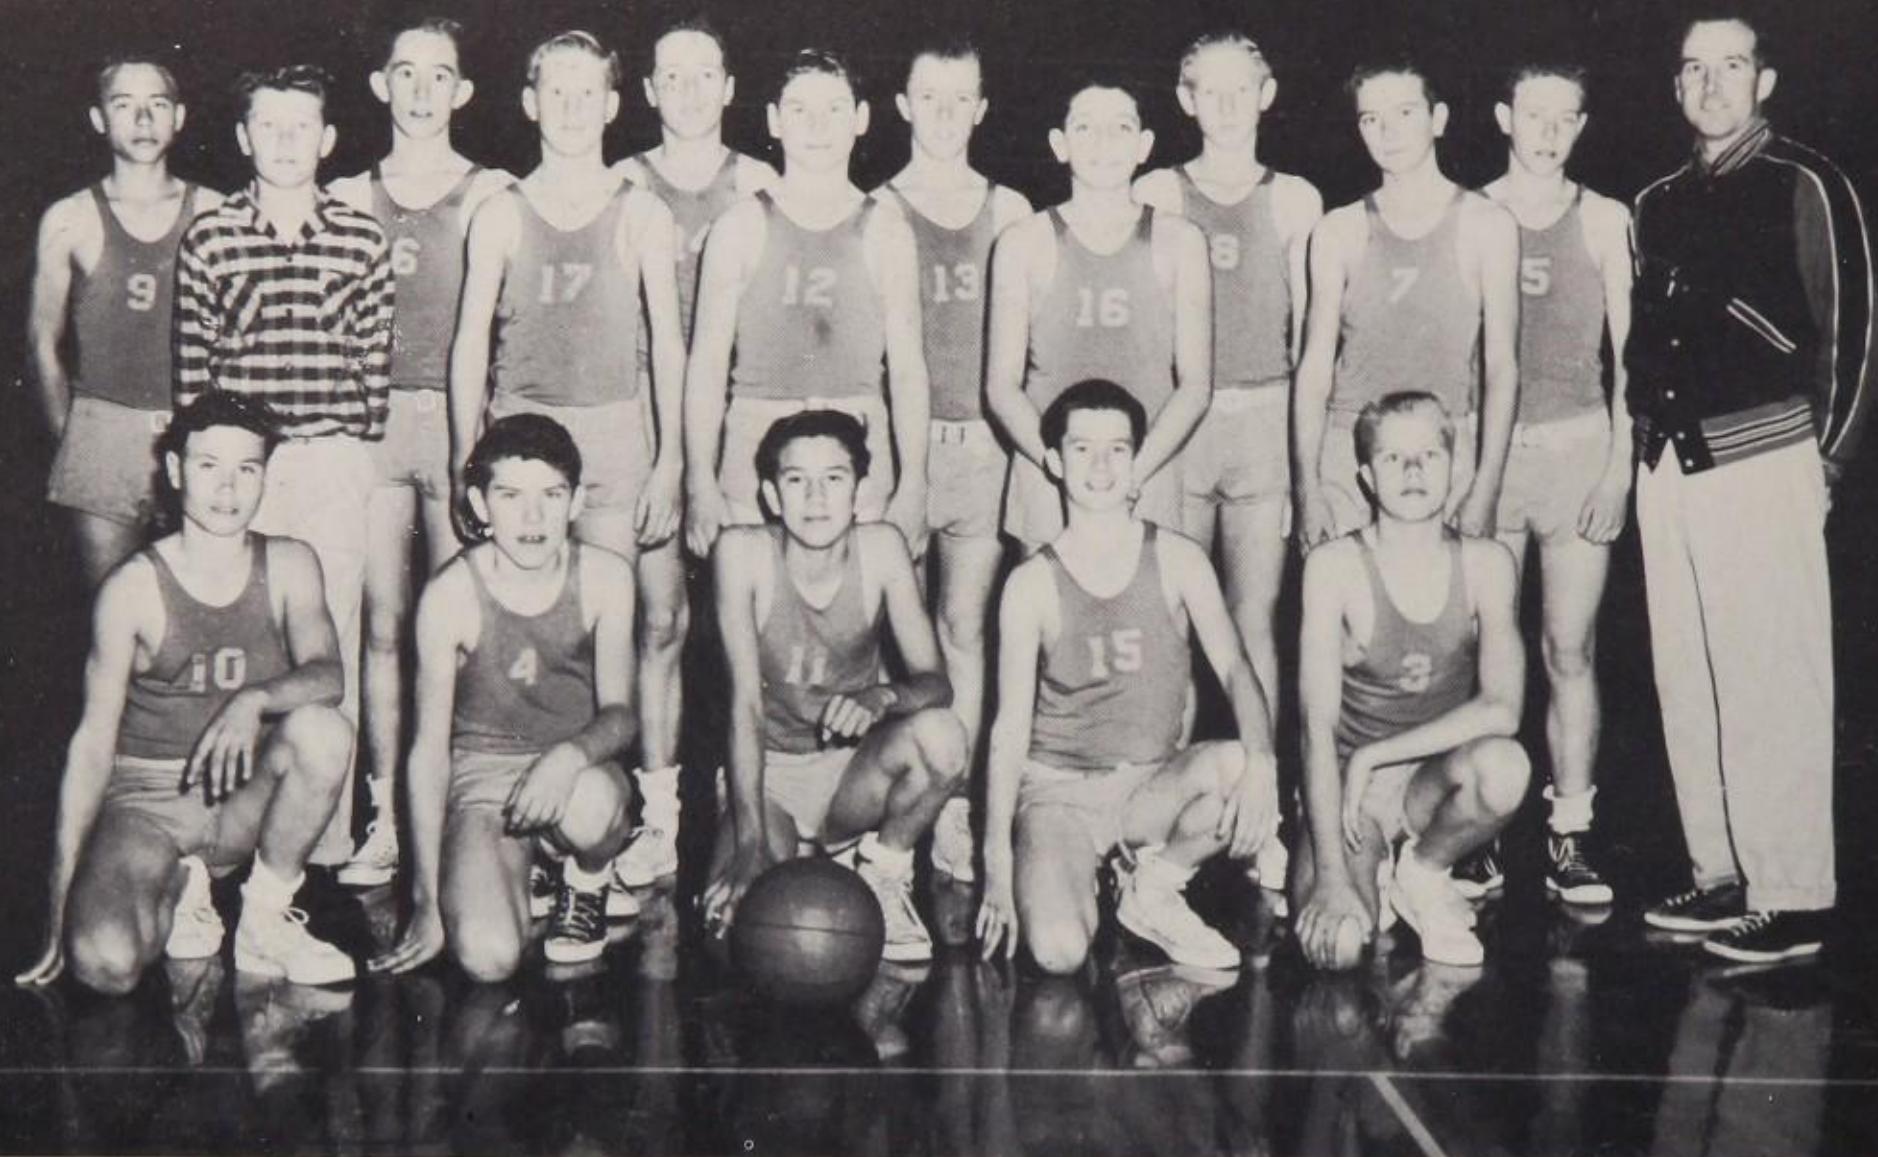

The Cee's this year ended up with a very successful season. They won nine of ten league games, losing only to Chino and tying for the championship. Out of the sixteen games of the season, they lost only two, and these by the slim margin of two points. We owe much to the fine coaching for the excellent record made by the high scoring, 1955 Cee Basketball Team.

## Varsity

The Varsity Baseball team is known for bringing home championship titles. In "52" we took the C.I.F. championship, in "53" we tied for second in the Tri-County and in "54" took the Tri-County championship. We entered C.I.F. but lost the final game to El Centro. With the desire and the willingness to work hard you can be sure of a successful season in 1955. The fellows on the "55" ball team have played together for at least three years. Having won most of their early season games, they show promise again of rating tops.

Sparked by five returning lettermen, the Varsity Tennis Team is expected to be in top competition for the league championships. ## J. V.

The Junior Varsity Tennis Team, like Varsity, are also playing a tough schedule. The boys are willing to work and with that kind of spirit, they should have a team that will be hard to beat. The fine coaching and work that Mr. Hauser has put into both J.V. and Varsity has produced two worthy Citrus teams.

## *Winged Foot*

Any girl at Citrus can belong to the Girls' Athletic Association. In G.A.A. she competes for the team in her grade level. If she makes the team, she earns points toward her letters, Big "C" Club, and Winged Foot.

The highest athletic award a girl can receive is Winged Foot for which she must earn 1650 points. Winged Foot is not awarded for athletic ability alone, but for outstanding sportsmanship and leadership in athletic activities as well.

## *Girls' Sports*

Citrus girls have many opportunities to join in group and individual sports. The first activity of the Girls' Athletic Association is basketball. Each girl has a chance to compete for "A" and "B" teams in her own grade level. A basketball play day is then attended by the four "A" teams. Here they play the "A" teams of Corona, Chino, Puente, Claremont, and Bonita. This play day brings to a close the basketball season.

To put her athletic stamina to a test, she then participates in speedball and then in hockey. Both of these games are played outdoors. They are similar to football in that the object of the game is to get the ball through the opponent's goal. These sports are then brought to a close with their individual play days.

The Citrus girls wind up the "group sports" year with softball and again meet the schools of the Tri-County League at a play day.

Tennis and badminton are the individual sports in G.A.A. Dual tournaments are played with each school in the league. In addition to these the girls participate in two all-league badminton and tennis tournaments.

The girls at Citrus are very sports minded, and all who are out for G.A.A. take pride in the teams that represent them at play days.

Members of the Citrus Student Body

An Open Letter

Your 1955 edition of **La Palma** has been the result of a tremendous amount of hard work by many people. I think you realize that the members of the student staff which are pictured and named on page 64 did their best throughout the year meeting deadline after deadline so that you, the students of Citrus, could have your 1955 annual on time. Of course this could not have been done without the great amount of faithful work, counsel and guidance given us throughout the year by our faculty advisor, Mrs. Shirley Williams. Mr. Roberts of the Roberts Studio in Los Angeles took our senior pictures while the bulk of the on-the-spot photography and clean-up shots was taken by Mr. Bob Fetz of our Citrus faculty. It is difficult to realize the great amount of time and care which this work required.

In addition in the last two days before our final deadline Miss Ruth Priest and Mr. Nelson Price pitched in to help as needed with the final arrangements. As editor, I wish to express our thanks to all of these people and to our publisher Mr. Hubbell and the Yearbook House, Monrovia, for a wonderful experience in preparing this book for you. We hope that you enjoy it.
